Yukiko Tanaka

This is Ms. Tanaka's 4th appearance since she opened our concert series in October 2015. She feels as though The First Presbyterian Church of Stirling is her home away from home, and always looks forward to coming back to play for us. The second half of her program this time features her expertise in Spanish and Latin American Music. Ms. Tanaka is of the Beethoven-Liszt piano teaching lineage and will feature these composers in her program, as well.
