Pastor's Letter

There is a wonderful little story by the late Fr. Anthony de Mello that I've always loved:

*I used to be stone deaf. I would
See people stand up and go through
All kinds of gyrations. They called
It dancing. It looked absurd to me
----until one day I heard the music!*

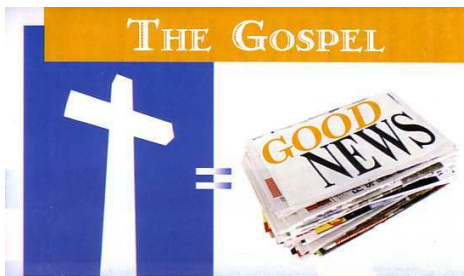

We have just come through Lent and heard the good news of Easter. *He is not here. He has risen!* I sometimes wonder if we have heard that music. Has the good news of the resurrection created a new life within us? April is a month of new life. All the tree buds pop out, the grass turns green, and the Spring flowers begin to bloom. Easter should give new life to our trust in God. It is the good news that gives us the will and courage to be God's disciples in our various worlds.

For the disciples of Jesus, post-Easter is when they took over and began to be the people that Jesus challenged them to be. They had the courage to preach the good news in the temple and the communities. They finally heard the music and began dancing.

As we hear the Easter season readings, it is my hope that we, too, will hear the music and dance!

See you in church!

Tom

Joint-Church Lenten Sunday Soup Supper and Study Series**- Debra Sprague**

The 2016 **Joint-Church Lenten Sunday Soup Supper and Study Series** met on 4 Sunday evenings during Lent, rotating amongst the three host churches (Meyersville, Trinity United, and Stirling). We had 35 people attend one or more sessions, with an average of 19 participants per session. This was our 8th year of holding this joint program. Each week started with a soup supper, provided by the host church, which also provided child care; supper was followed by our study. This year's program was "**The Last Week: What the Gospels Really Teach About Jesus's Final Days in Jerusalem**," based on a book of the same title by Marcus Borg and John Dominick Crosson. We want to thank our leaders, Heather Harris-Galgoci of Trinity United Church, the Rev. Barbara Aspinall of Meyersville, and our own Rev. Tom Peters for doing such a great job in leading us through this study.

Thank you to all who provided delicious soups, as well as bread, crackers, and desserts, and to those who helped with set-up and clean-up (including washing all of those soup bowls!). Thank you also to Shaylyn Gallagan, who provided child care for both sessions our church hosted.

Upcoming Dates: May 13, June 10

One Great Hour of Sharing (OGHS)

The three groups in the Presbyterian Church (USA) that benefit from our OGHS offering are: Presbyterian Hunger Program, Self-Development of People, and Presbyterian Disaster Assistance (PDA). We reach many people in desperate need through this offering and, unless people direct their giving specifically to them, this is the only way these three vital organizations receive funding. There are special OGHS envelopes in the church pews for this purpose; **they will be collected early in April.** Thank you.

**Buildings & Grounds**

Thank you to all our volunteer painters who did such a great job sprucing up the hallway and kitchen areas of Pollard Hall: Shaylyn Gallagan, Israel Sierra, Jeanne Wyatt, and Paul Wermuth. It looks so bright and clean!

Music Series

On Sunday, March 13th, approximately 43 people attended a concert by Dr. Clipper Erickson, pianist from the Westminster Conservatory of Music, which is part of Ryder University. We heard works from Bach, Chopin, and Beethoven, but we were also treated to music by Nathaniel Detts, about whom Dr. Erickson is a world authority. We also heard the world premiere of *Variations on Rachmaninoff*, by Laurie Altman, a contemporary composer of classical music. We look forward to having Dr. Erickson return for a future concert.

On **Sunday, April 10th, at 2:00 p.m.**, we will welcome back Yukiko Tanaka, the pianist who inaugurated our music series last October. Raphael Klayman, the violinist who was planning to come in April, has asked to be rescheduled to June. Please pass the word and invite everyone to hear Yukiko! We've been pleased with the attendance at the concerts. The musicians have been very good. Our church is getting a very good reputation for the music series. We hope you will help spread the word.

**Earth Day 2016 - April 22nd - Trees for the Earth**

Over the next five years, as **Earth Day** moves closer to its **50th anniversary**, we're calling on you to help us achieve one of our most ambitious goals yet — **we're planting 7.8 billion trees** and we're starting now. **Trees help combat climate change. Trees help us breathe clean air. Trees help communities. Let's get planting!**
